Dear Corsac,

Thank you for joining Pray4France in strategic prayer for a Disciple Making Movement.

We will only know in eternity the full impact of our prayer. However, we know from God's Word that prayer is powerful and effective (James 5:16).

Click the button below for a glimpse at what you contributed to. We would also love to hear impressions or words you received from God as you prayed.

Finally, the folks at Pray4Movement built this prayer tool. You can make sure you're signed up to receive news about future prayer opportunities on the Stats page.
