Custom sign up fields

Prayer Campaigns · https://prayer.tools/docs/custom-sign-up-fields/

Here is how you can add fields to the sign up form.

The current field options are

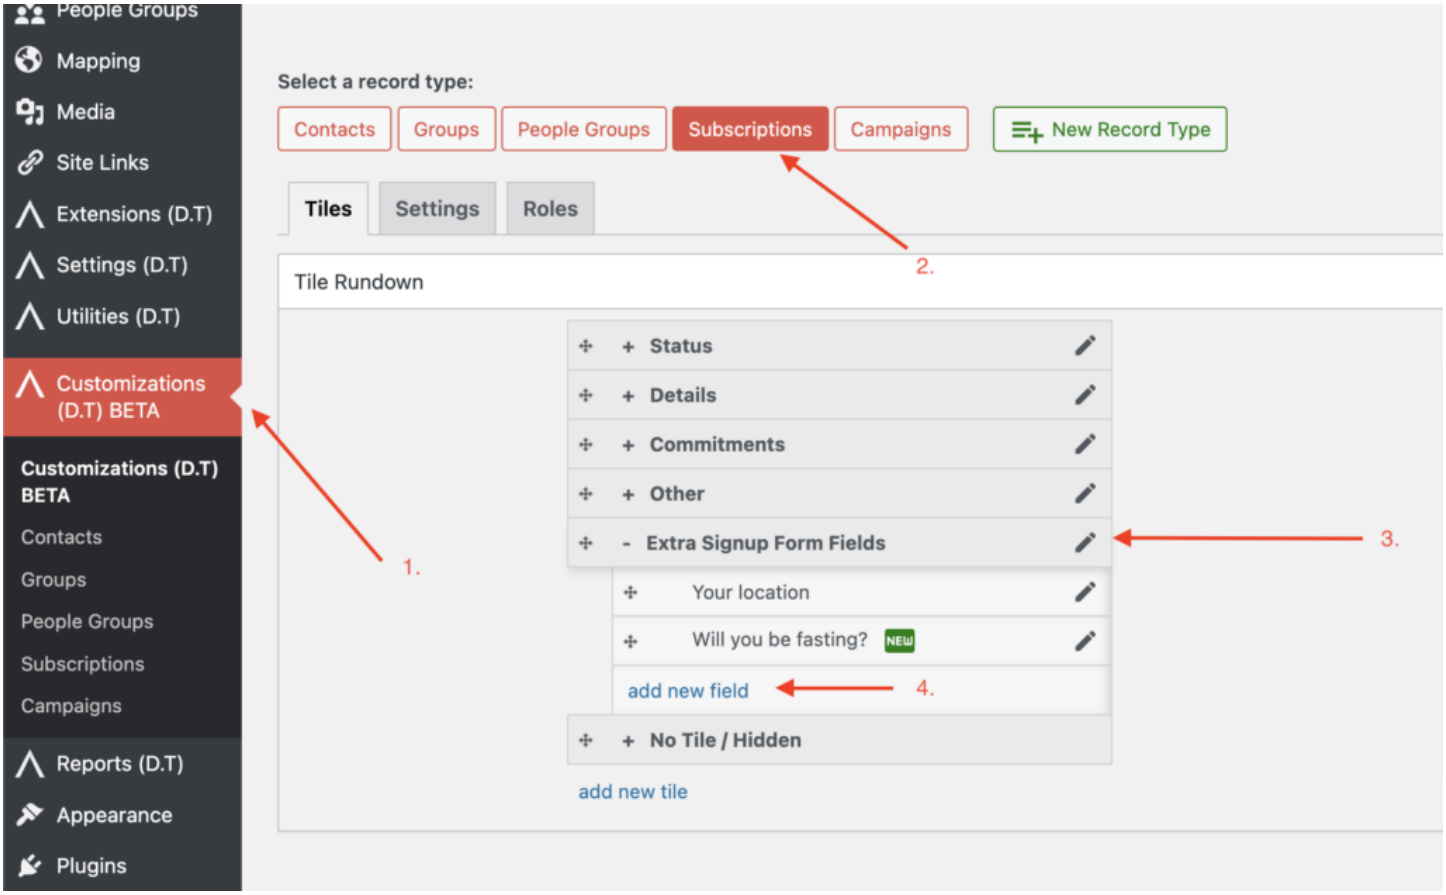

- Text fields
- Textarea fields
- Boolean (checkbox) fields

- Dropdown fields
- Number fields

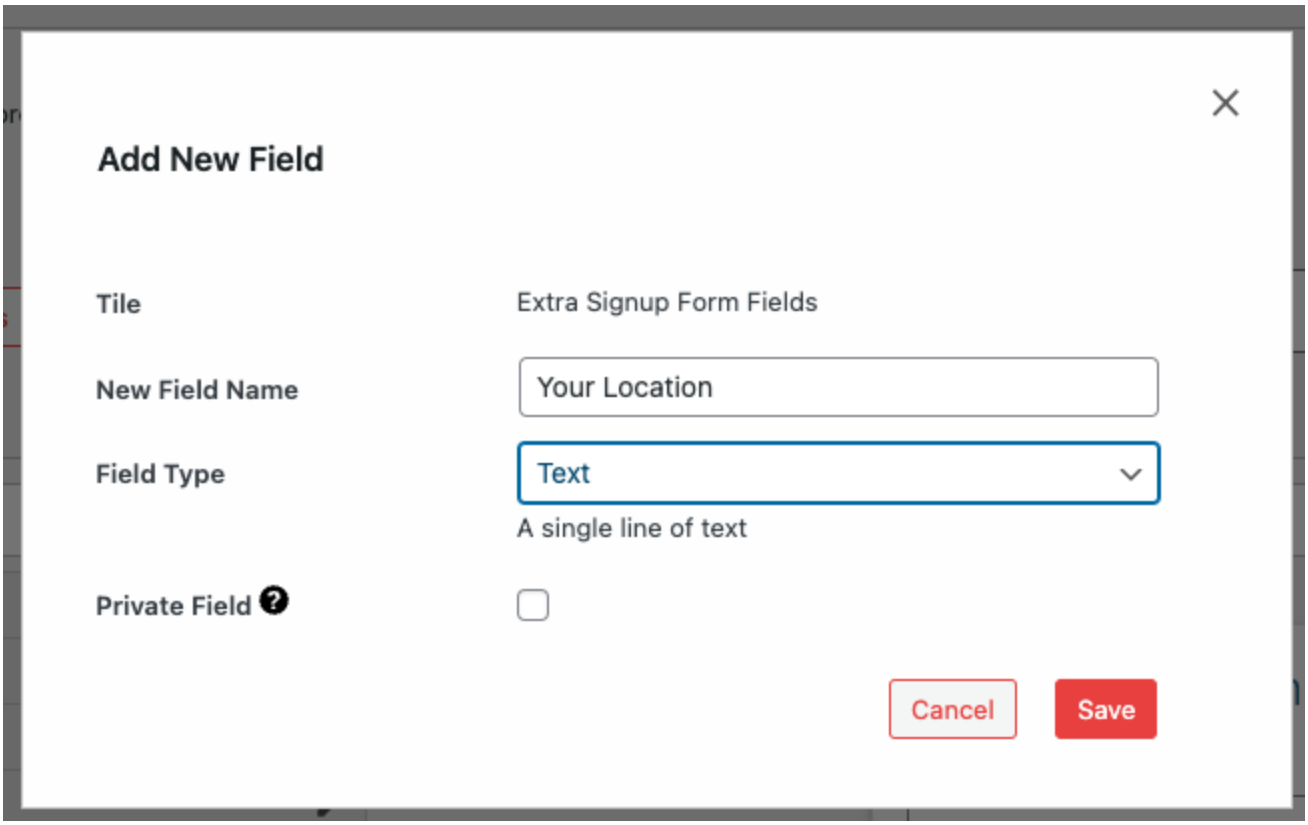

Head over to the campaign settings area.

Go to Customizations (D.T) > Subscriptions > Extra Signup Form Fields.

Click "add new field".

Create the new field. Under Field Type choose "Text" or "Yes/No (boolean).
