List of Prayer Warriors

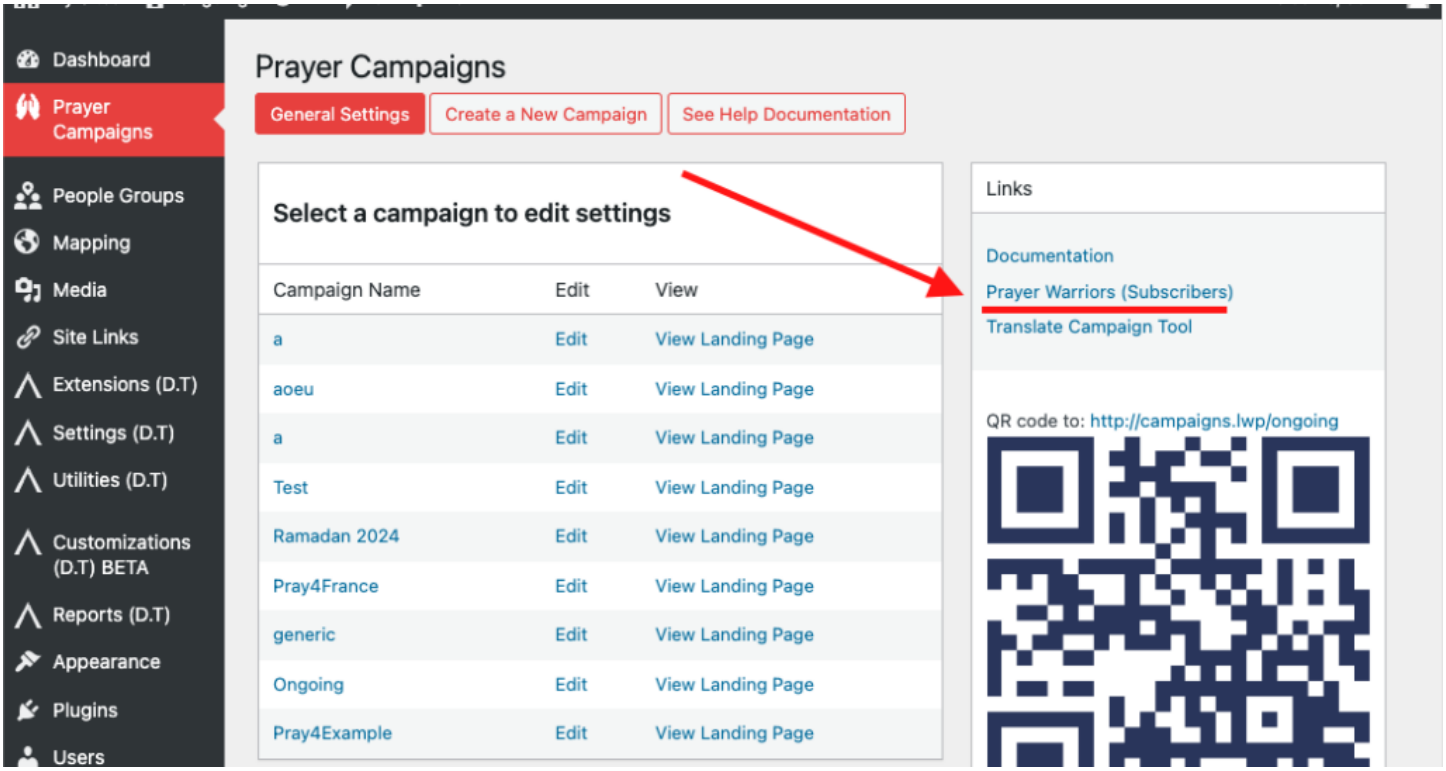

Prayer Campaigns · https://prayer.tools/docs/list-of-prayer-warriors/

A Prayer Warrior is any person that commits to pray in your Prayer Campaign. Technically, Prayer Warriors are also labeled "Subscribers" since they subscribe to your prayer campaign.

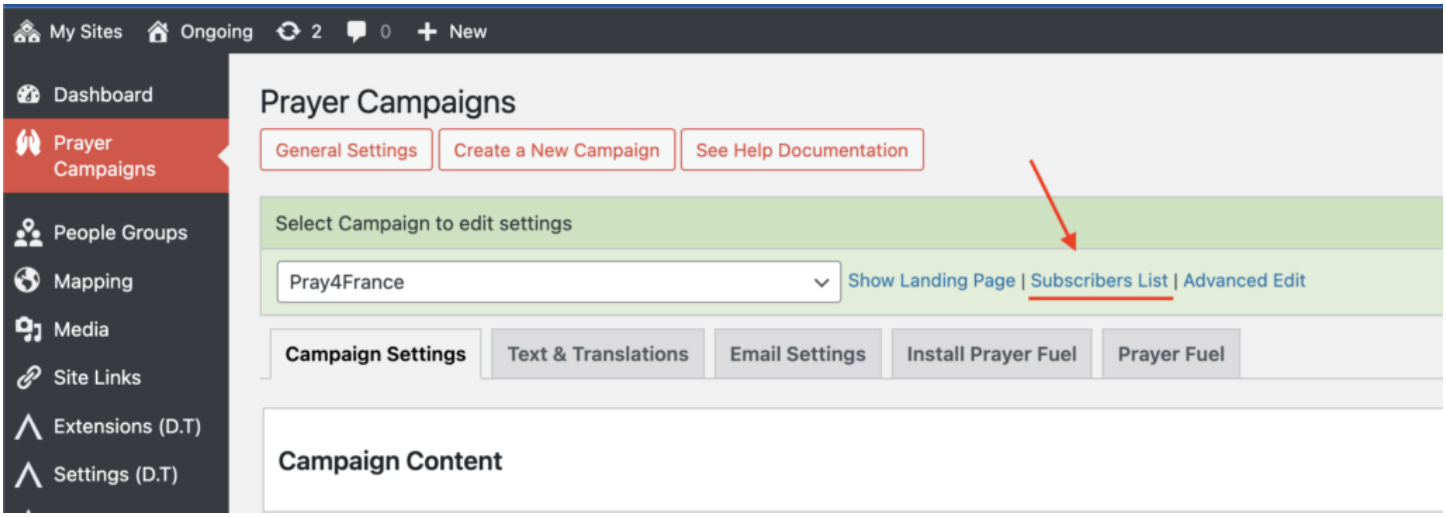

If you want to download the list of your campaign's Prayer Warriors from the Subscriptions List

Access from Subscriptions List

To see the subscribers list. Go to the General Settings and click "Prayer Warriors (Subscribers)".

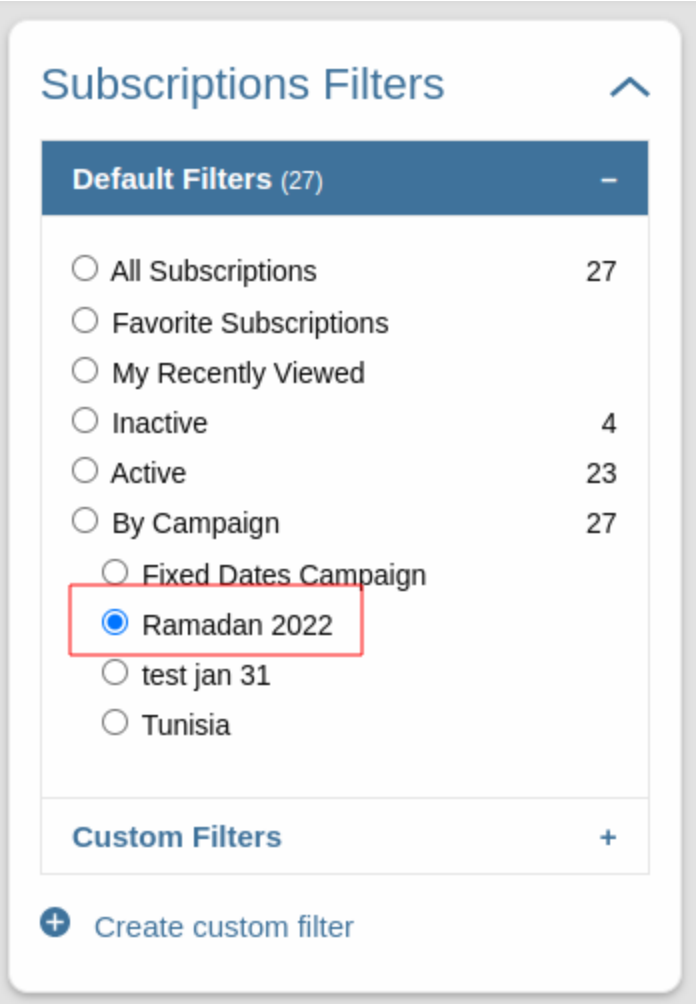

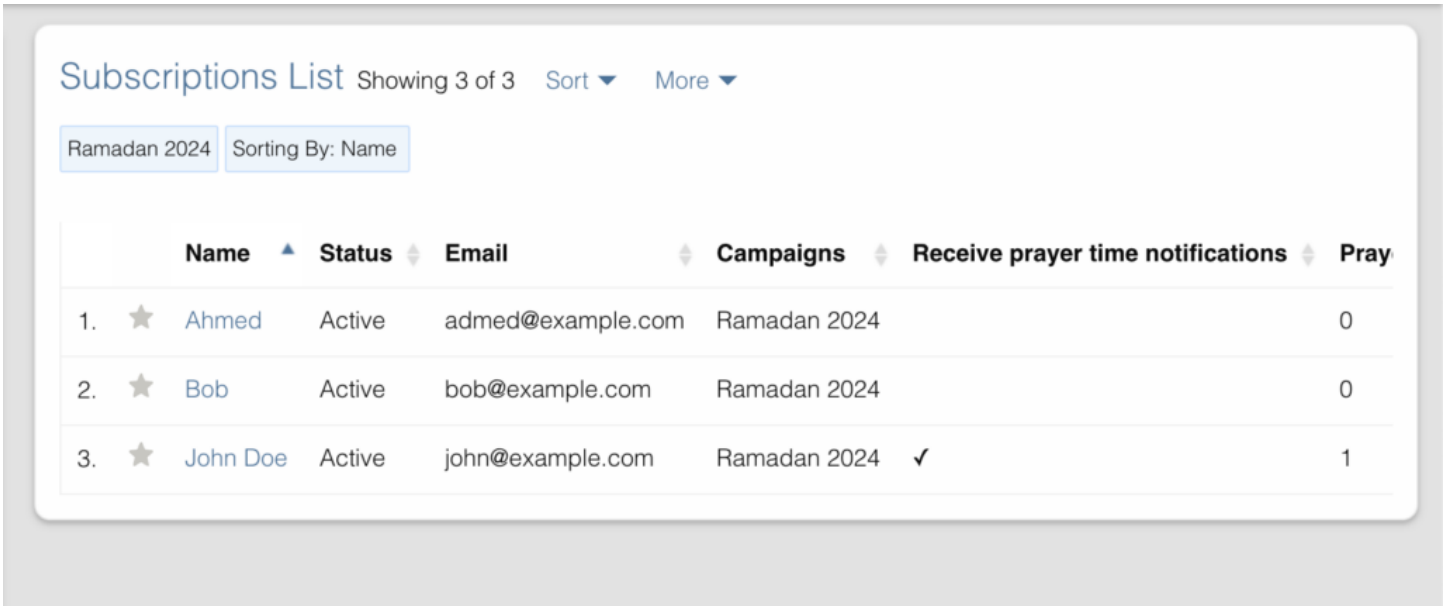

Or from you selected campaign click "Subscribers List"

From this view you can select and export Prayer Warriors from multiple campaigns at once or you can filter down to a subset of your campaign subscription list. For instance, you could just export the Prayer Warriors that signed up in the last week. The filtering process creates the list that will be exported.

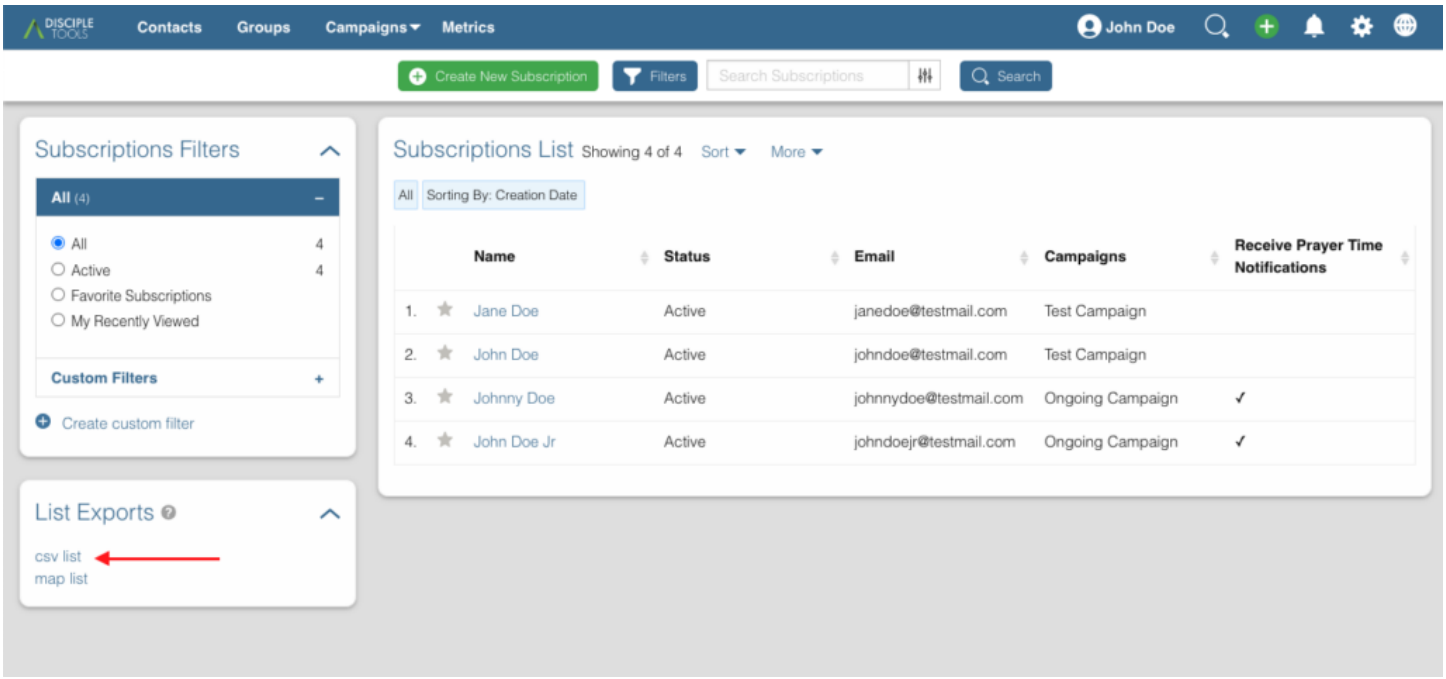

Filter the Subscribers to one of your campaigns:
