# Message the Subscriber List

Prayer Campaigns · https://prayer.tools/docs/message-the-subscriber-list/

You can send a simple text email to your subscribers list. Follow the instructions below, clicking next to see each step:

**Step 1**

To start, navigate to your campaign's landing page

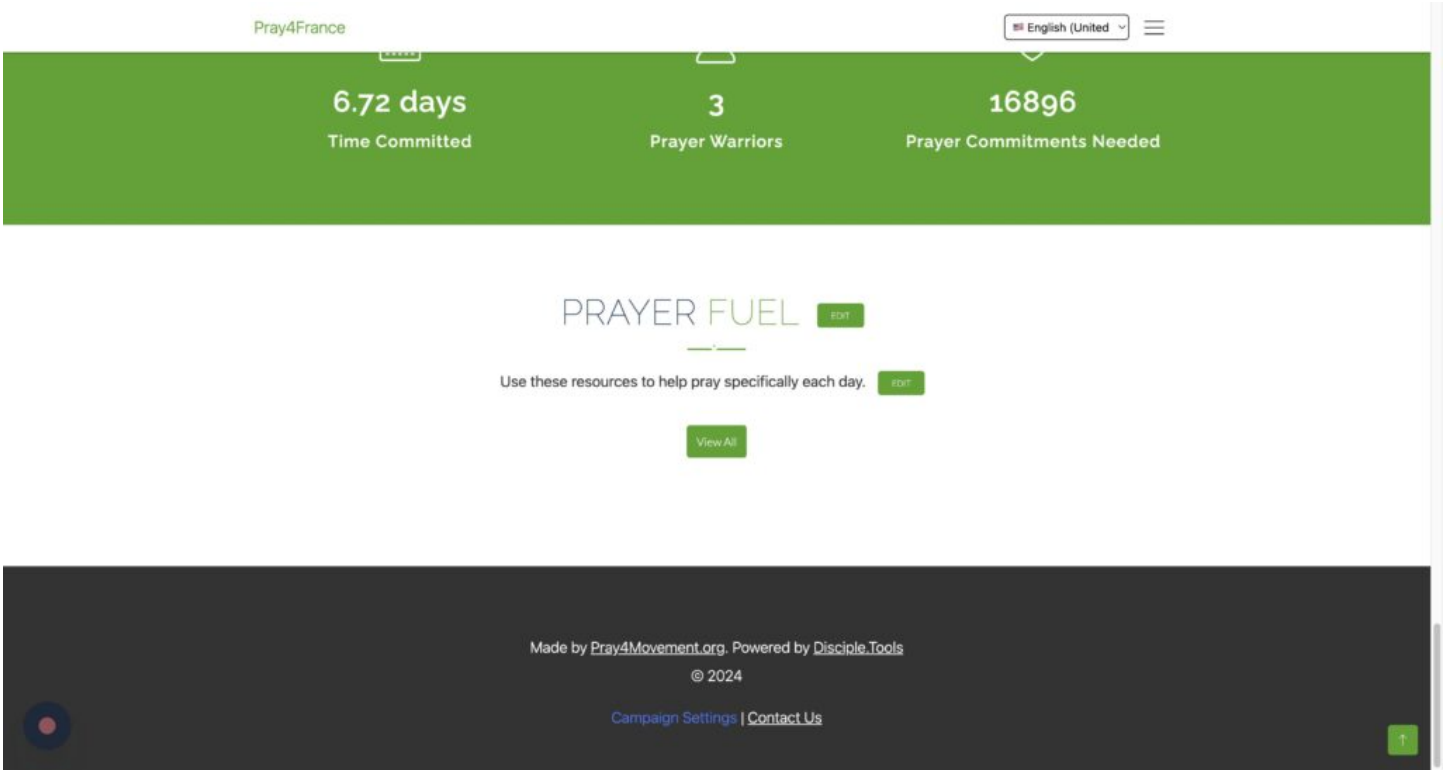

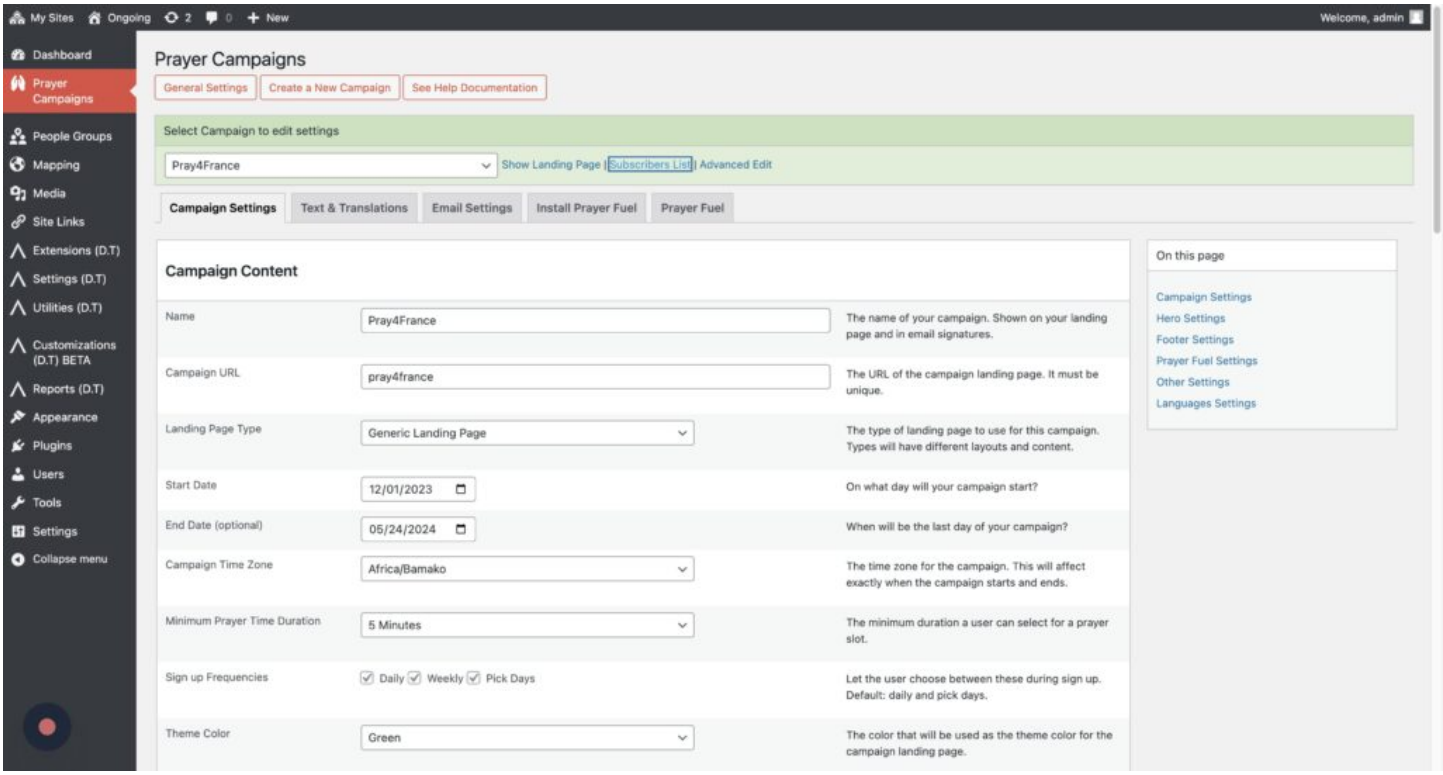

**Step 2**

Scroll to the bottom and click "Campaign Settings"

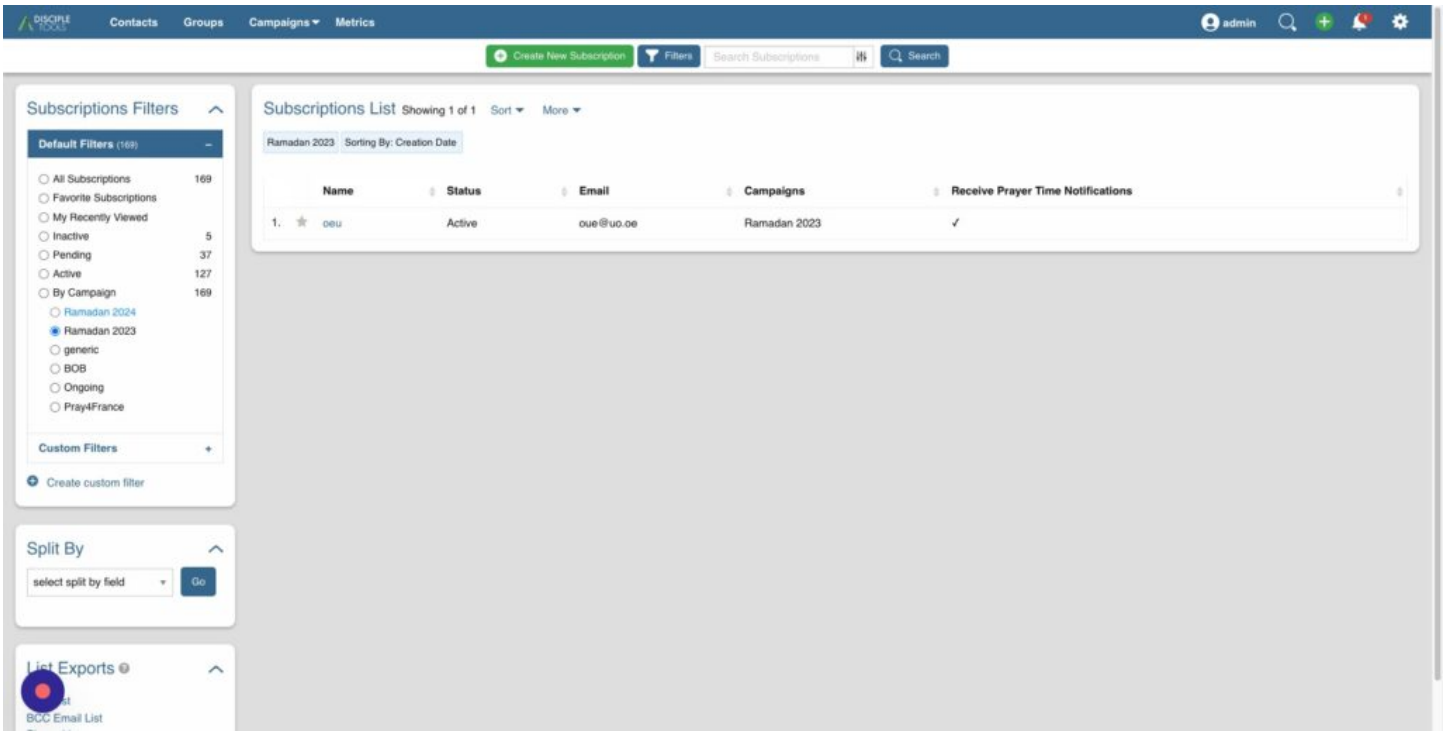

## Step 3

Click "Subscribers List"

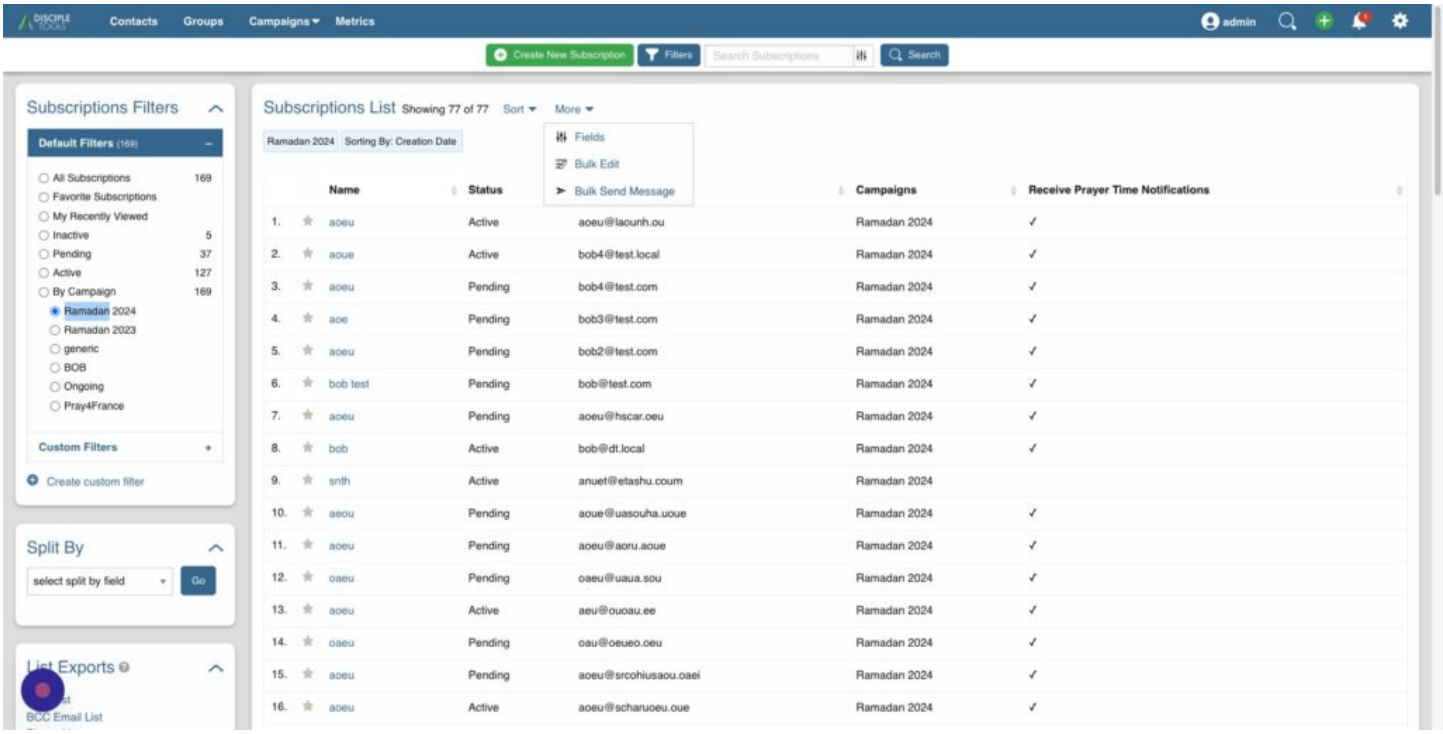

## Step 4

(optional) Select the campaign you want to message in the filters.

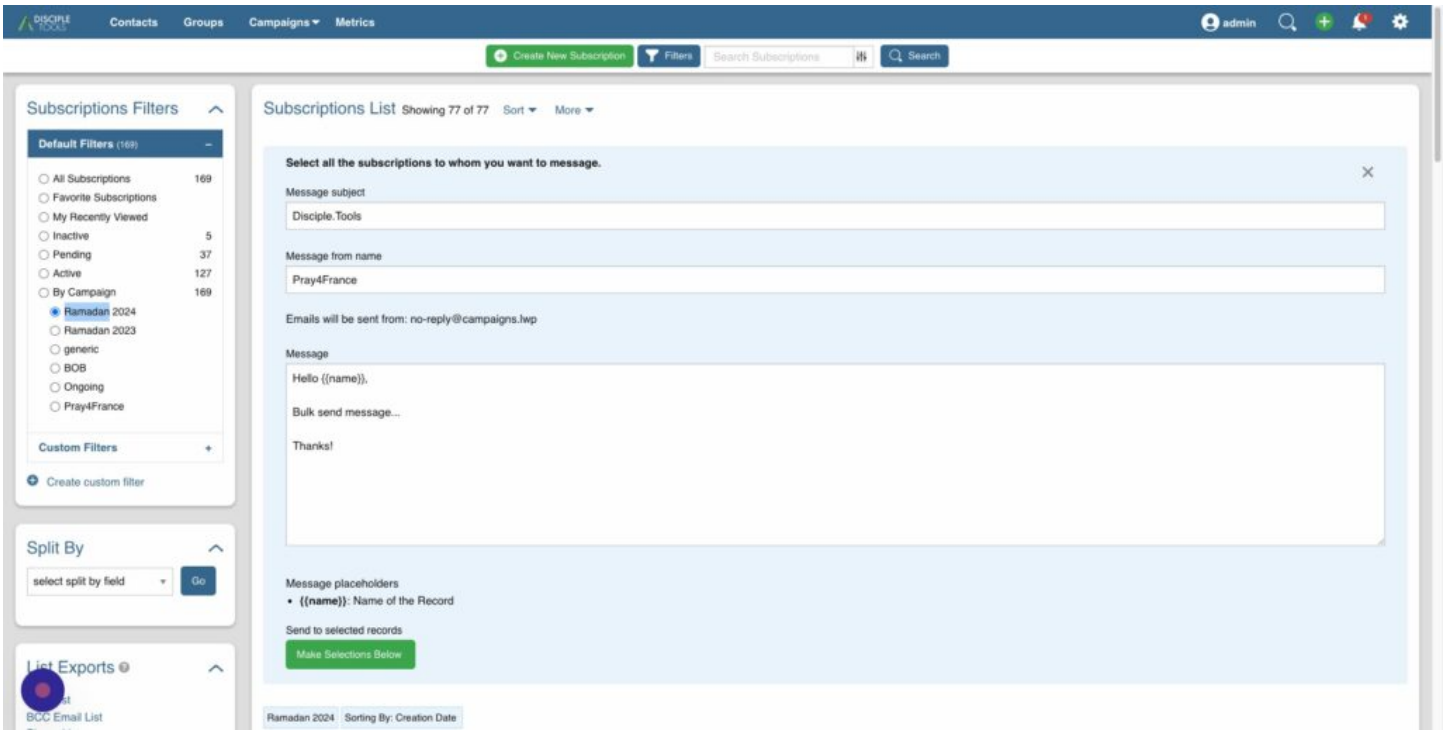

## Step 5

Click More and then "Bulk Send Message"

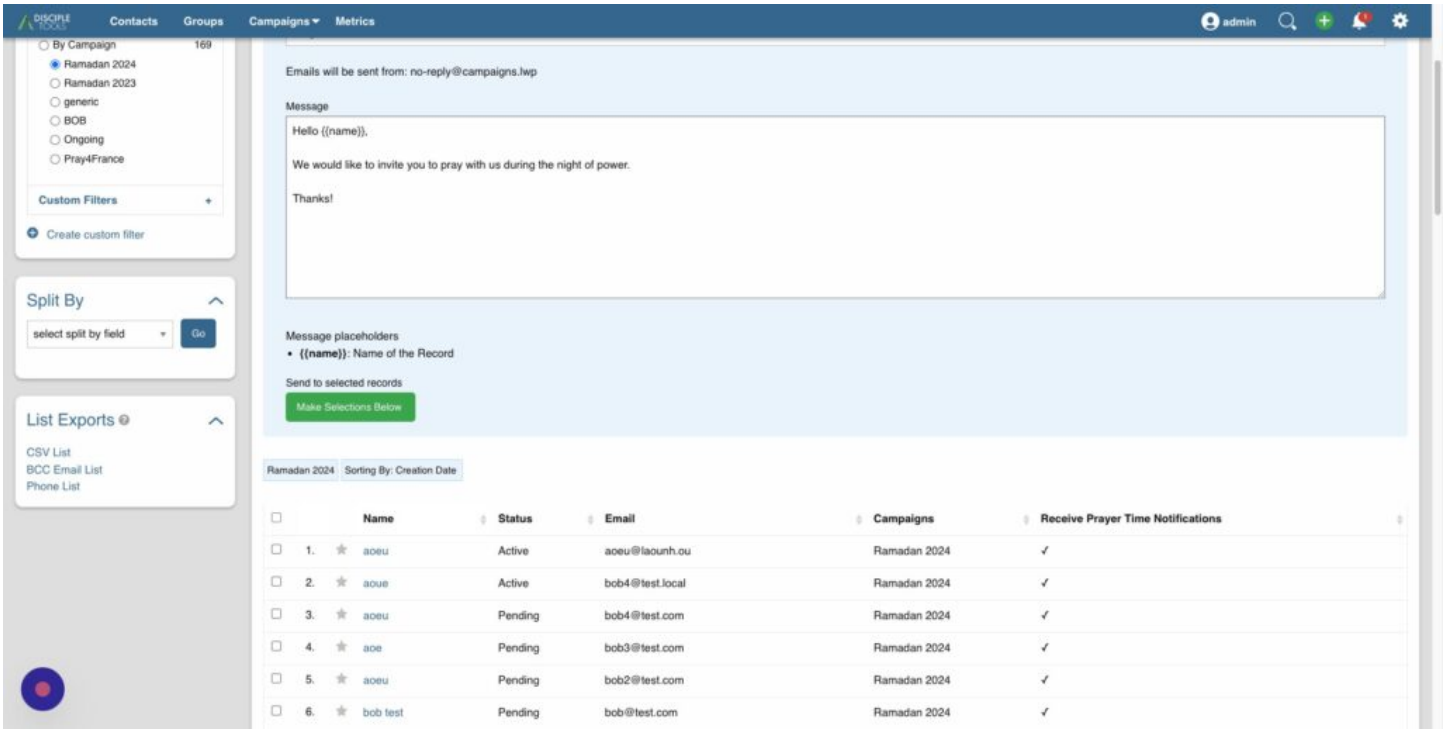

## Step 6

Customize your Email.

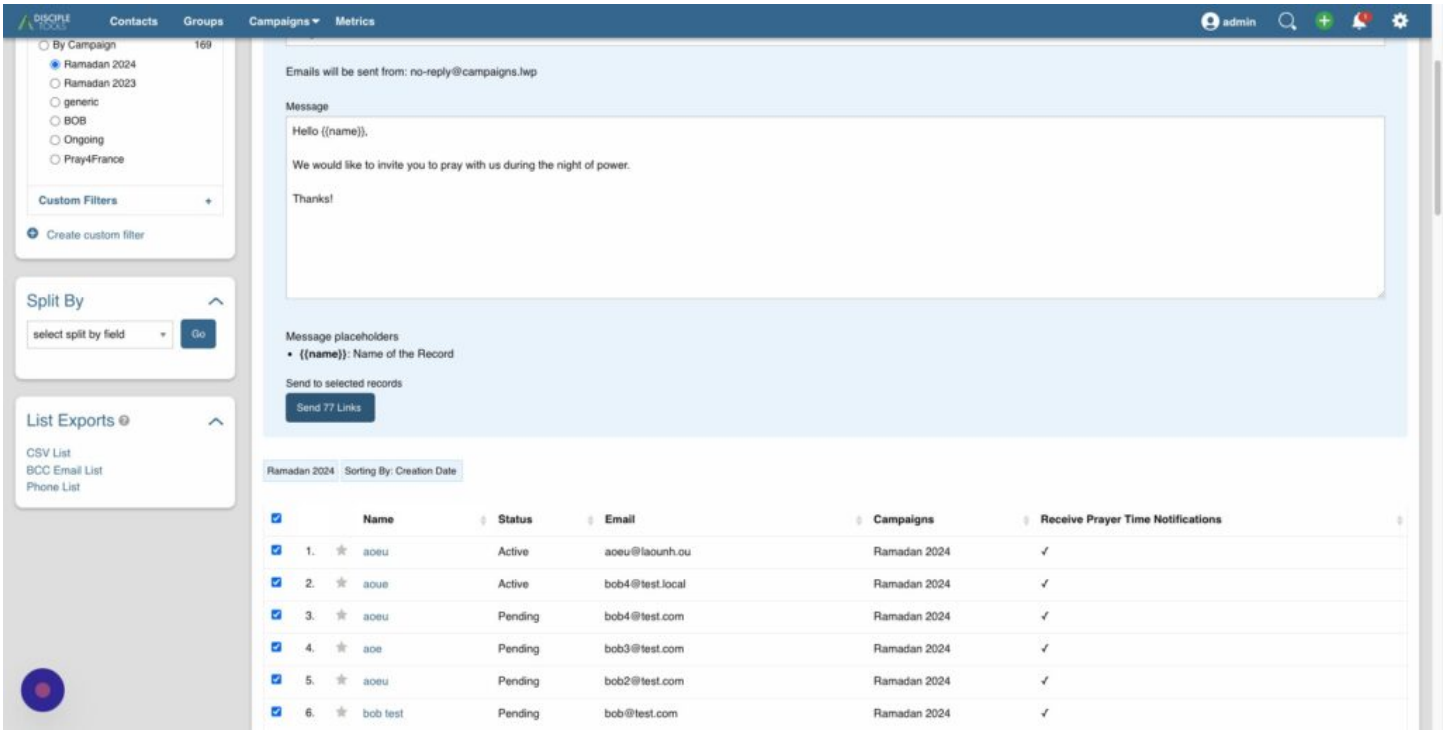

## Step 7

Click this checkbox to select all the campaign's subscribers

## Step 8

Click "Send"

## Step 9

Your email is now scheduled to send. It might take a bit for the process to work through them.
