Translate Ramadan Prayer Fuel

Ramadan · https://prayer.tools/docs/translate-ramadan-prayer-fuel/

If you need to translate the Sign Up tool, see: https://prayer.tools/docs/translation

Note: in order to have your Ramadan 24/7 campaigns fully translated there are 2 parts. First the Prayer Campaigns plugin (the tools that make everything work) and second the Ramadan Content.

The steps

STEP 1

Create an account in: https://translate.disciple.tools/accounts/register/
See https://disciple.tools/user-docs/translations/ for detailed registration instructions.

STEP 2

On top of the page, click on **“Sign in”** and sign in with the username or e-mail and password you created earlier.

STEP 3

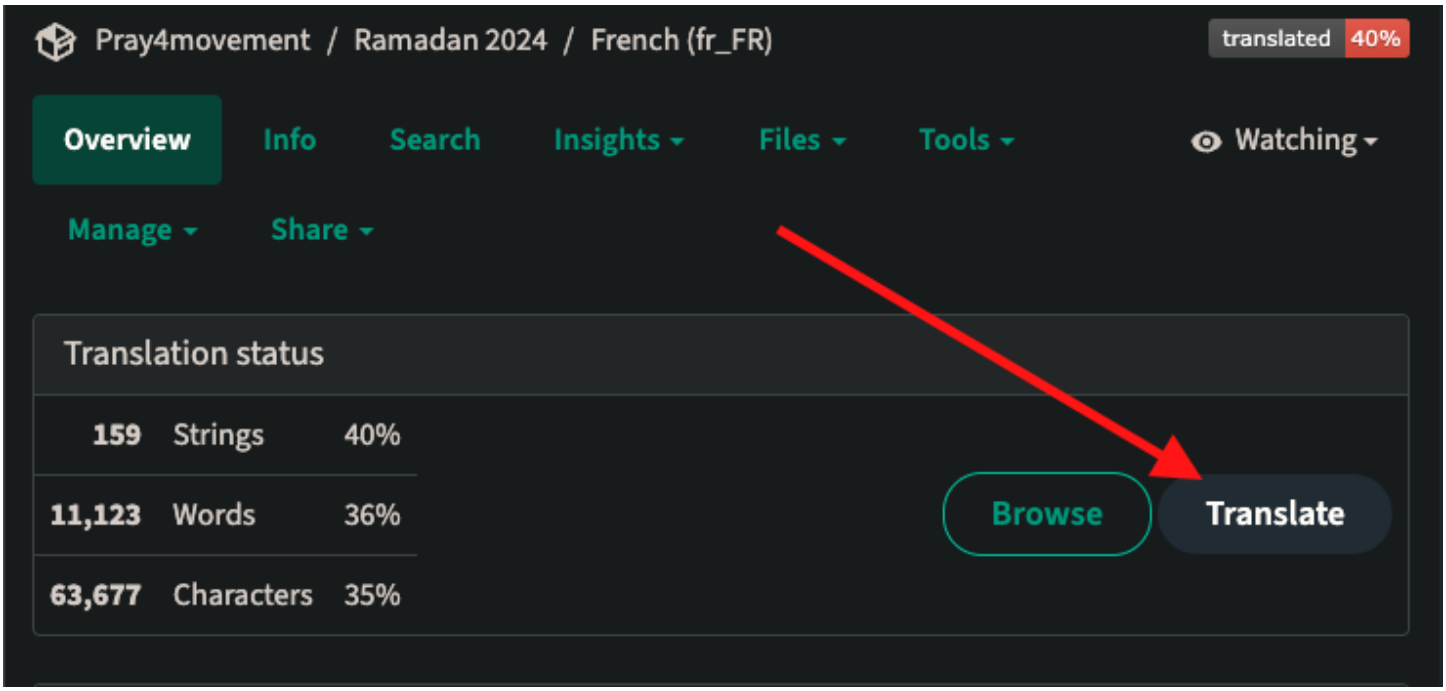

Go to: https://translate.disciple.tools/projects/pray4movement/ramadan-2026

STEP 4

Once you are signed in, scroll down all the way to the language you will help translate and click on it. For example, you may go to: **“Spanish (es_Es)”**

STEP 5

In the section **“Translation Status”**, click on the button **“Translate”**

STEP 6

In translating:

Please do not translate these types of terms, leave them like they are in English:

- [in location]
- [of location]
- [location]
- [people_group]

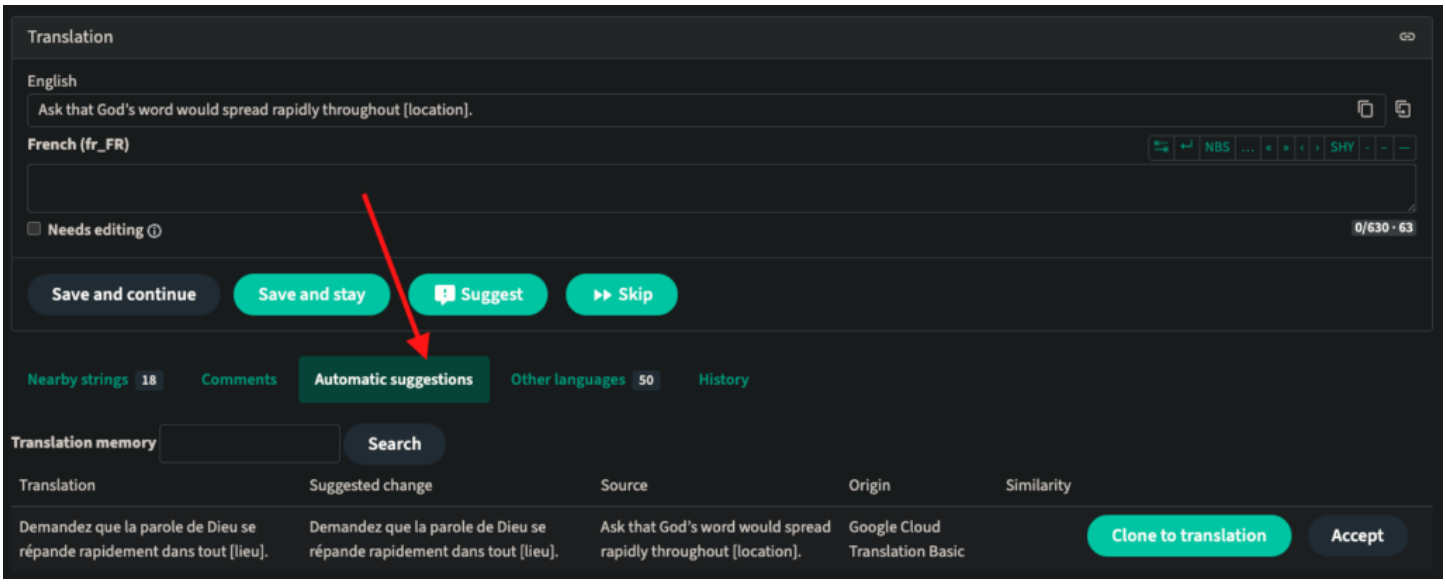

French translation example:

Laisse les personnes [of location] saisir la Bonne Nouvelle.

STEP 7

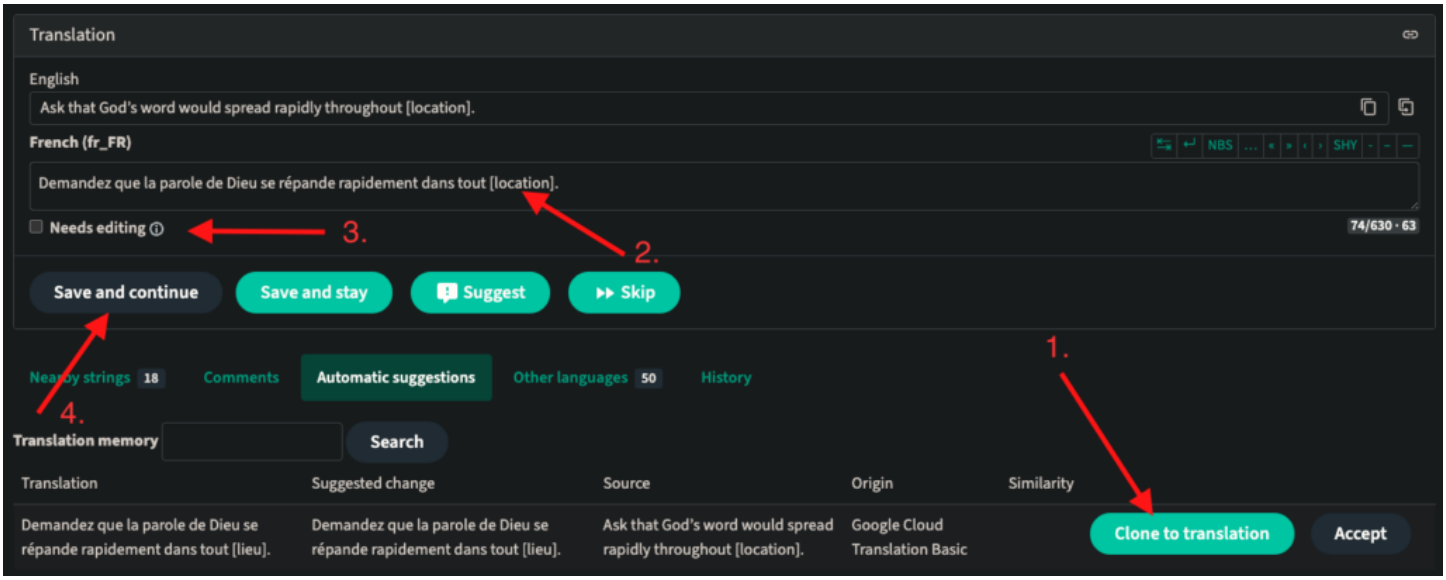

For faster translation, click on **“Automatic Suggestions”** and check out if the suggested translation is correct.

STEP 8 - Option A

If the suggested translation is not correct

- 1. click on **“Clone to Translation”**. This copies the suggestion up to the translation box
- 2. make the appropriate corrections. **Make sure step 6 is respected!**
- 3. make sure needs editing is not "checked"
- 4. click "**Save and continue**".

STEP 8 - Option B

If the suggested translation is correct, (**make sure step 6 is respected!**), then click "**Accept**"! The suggestion will be saved and your will be brought to the next string to translate.

Thank you for your contributions!

STEP 9

See more translation instructions and videos here: https://disciple.tools/user-docs/translations/
